

## Global Women Health 2020 - Past Conference Report

The “10th World Congress on Women Health, Gynecology and Breast Cancer Research” was organized during February 24-25, 2020 at the Rome, Italy. The conference was marked with the attendance of Editorial Board Members of supported Allied Academies Journals, Scientists, young and brilliant researchers and talented student communities representing more than 10 countries, who made this conference fruitful and productive.

This conference was based on the Theme- “Explore the research advancements in women health” which included the following scientific tracks:

- Women Health
- Gynecology
- Obstetrics
- Breast Cancer
- Pregnancy
- Stages of breast cancer
- Women mental health
- Complications during pregnancy
- Birth control
- Abortion methods
- Cervical Cancer
- Breast cancer surgery & treatments
- Acupuncture during pregnancy
- Reproductive Endocrinology and infertility
- Cosmetic Gynecology
- PCOD & PCOS
- In Vitro Fertilization
- Ovarian Cancer

Global Women Health 2020 was moderated by Houda Al Yaqoubi ( Ibri Regional Hospital, Oman ).

We are grateful to our Organizing Committee Members for their generous support and suggestions for the conference.

1. Arup Ratan Bandyopadhyay, University of Calcutta, India
2. Marta Noemi Monari, Humanitas Clinical, and Research Center – IRCCS, Italy

The conference proceeded through various Scientific Sessions and plenary lectures, of which the following topics were highlighted as Keynote presentations:  
Day 1:

Title: CELLULAR MATRIX, MEDICAL DEVICE FOR TREATING FEMALE SEXUAL DYSFUNCTION, Kalliste Medical Center, Slovenia.

Title: POST-PARTUM OVARIAN VEIN THROMBOSIS EXTENDING TO INFERIOR VENA-CAVA: A RARE CASE REPORT, Ibri Regional Hospital, Oman

Scientific sessions were chaired by Arun Subburayalu, Health Center Elten, Germany and Co-chaired by Ksenija Selih Martinec, Kalliste Medical Center.

We are very thankful to the Participation by Dr. Rozhan Omar (Iraq), for her Video Presentations at our conference.

Allied Academies has taken the grand privilege of felicitating Global Women Health 2020 Organizing Committee, Editorial Board Members and Keynote Speakers who supported the success of this event. The esteemed guests, Keynote speakers, well-known researchers, and delegates shared their innovative research and vast experience through their presentations at the podium of Global Women Health 2020. We are glad to inform that all accepted abstracts for the conference have been published in the Research and Reports in Gynecology and Reproductive Endocrinology.

We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. We sincerely thank the Organizing Committee. Members for their gracious presence, support and assistance. With the unique and positive feedback from the conference, Allied Academies would like to announce the commencement of the “10th World Congress on Women Health, Gynecology and Breast Cancer Research” which is being organized during February 27-28, 2021 | Berlin, Germany.
