

## 2020 Awards of 3<sup>rd</sup> Global Congress on Bacteriology and Infectious Diseases

### Giulio Tarro

Chairman of the Committee on Biotechnologies and VirusSphere, WABT - UNESCO, France, E-mail: giuliotarro@gmail.com

The [Infectious Diseases 2020](#) Conference invites you attain the great conference which includes prompt keynote presentations, oral talks, poster presentations and exhibitions held on 23-24 March, 2020 at [London](#), UK.

Theme: Emerging Innovating Technologies and Efficacy in Infectious Diseases

[Infectious diseases](#) are disorders caused by the spread of microorganisms such as [viruses](#), bacteria, fungi or parasites. Infectious diseases may be of food borne, water borne, vector borne, air borne in human beings as well as animals and plants. Infectious diseases are normally emphasized on the pathogenesis of the bacteria and their therapeutic measures; coalesce of branches of Microbiology mainly Clinical and Diagnostic Microbiology which deals with the cure and prevention of the Infectious diseases. It represents associate degree more and more necessary reason for human morbidity and mortality throughout the planet. Vaccine development is therefore of nice importance in terms of world health.

The [Infectious Diseases Congress 2020](#) attains significance once we check up on the worldwide deaths due to Infectious Diseases. Tetanus (500,000), Measles(1 Million), HIV/AIDS(1 Million), viral hepatitis (1.1 Million), Malaria (2.1 Million), diarrhea (3.1 Million), infectious disease (3.1 Million), metastasis Infections (4.4 Million). Professors, Researchers around the world will showcase their research work and will light up the way where in men; women and children of all demographics can be cured of different infectious diseases and prevention research.

Global Congress on Bacteriology and Infectious Diseases will encourage scientists and researchers & young researchers in their early stage of career graph to widely discuss their outcome so as to enrich and develop the idea by felicitating them with the various Awards in their respective fields. The Main aim is meant to encourage students in taking active part in the International Science platform to sharpen their skills and knowledge.

The Sponsor & Exhibitor in the [Bacteriology and Infectious Diseases](#) will get chance to expose themselves to new clients, customer, business, brand awareness and media exposure. Our sponsorship has categorized with **Premium Sponsorship Packages**: Elite Sponsor, Silver Sponsor, Gold Sponsor, Exhibition, **Media Partner**, **Collaborator**, Additional Sponsorship Packages and Advertisements.

Our Allied Academies categories seek to acknowledge Scientists, Researcher, Professor, Industrialists, and Students in various scientific fields who are making an outstanding contribution to the world of Science for the better and healthy future.

We have classified our recognition category in two:

[3rd Global Congress on Bacteriology and Infectious Diseases](#)  
March 23-24, 2020 | London, UK

### Academic Awards (In Conference)

#### Best Speaker Award

This Speaker award seeks to recognise an individual who have demonstrated excellence when it comes to elaborating the presentation with an ease in Speaker Sessions through an on-going high-quality standard of his experience.

#### Best Research Award

This Research award seeks to appreciate an individual or team who has displayed excellence when it comes to research in their respective area, with high-quality standard of their efforts to make it possible for new innovation.

#### Best Young Researcher Award

This Young Researcher award seeks to encourage students in taking active part in the International Science platform to sharpen their skills and knowledge in their early stage of career graph.

#### Best Poster Award

This Poster Award seeks to appreciate an individual who have displayed excellence when it comes to expose research in poster presentation category, with high-quality standard of their efforts to make it possible for new ideas & innovation.

#### Best E-Poster Award

This E-Poster Award seeks to appreciate an individual who have displayed excellence when it comes to expose research in E-poster category.

### Business Awards (In Conference)

#### Best Sponsor Award

This Sponsorship award seeks to recognise an individual company or organization that has supported our attendees or participants to improve their research, by providing an opportunity to expose their research in an innovative project or scheme.

#### Best Exhibitor Award

This Exhibition award seeks to recognise an individual company that has exhibits their related Research ideas and products which has better future scope and helpful for our researchers and scientists in their respective field.

#### Best Collaborator Award

This Collaboration award seeks to recognise an individual or team of organization who have collaborated with us to support each other professional growth and reputation and to be helpful for our attendees or participants.

#### Best Media Partner Award

This Media Partnership award seeks to recognise an individual or team of organization who have made partnership with us to

broadcast each other professional growth and reputation to be helpful for our attendees or participants.
