

## 2<sup>nd</sup> International conference on optometry: Market analysis.

Suzane Taylor\*

Managing Editor, *Ophthalmology Case Reports*, United Kingdom

Accepted on June 20 2021

### About Conference

With the success of the previous conference, we cordially invite all the participants across the world to attend the 2<sup>nd</sup> International Conference on Optometry which is scheduled to be held during December 06-07, 2021, in Paris, France to share your views and thoughts about various aspects in Ophthalmology. The theme of our conference is “Emerging Technologies and Scientific Advancements in Optometry” which further explains the recent trends and advancements that are taking place in the field of Vision Science along with the related topics such as Ophthalmology Disorders, Major Ophthalmologic Surgeries, Eye Care, and Advancements, Cataracts, Glaucoma, Novel Advances in Vision Improvement, etc. explained by experts and young researchers in respective backgrounds through their presentations on various sessions in this conference.

### Market Analysis

#### Top global universities

- Bascom Palmer Eye Institute/University of Miami, USA

- Wilmer Eye Institute/Johns Hopkins University of Maryland, USA
- University of Plymouth in, UK
- Czech Technical University of Prague, Czechia
- Masaryk University of Brno, Czechia
- Institute des Sciences de la Vision, France
- Sofia University St. Kliment Ohridski, Bulgaria
- Bangor University in Wales, UK
- University of Teknologi MARA, Malaysia
- The Hong Kong Polytechnic University, China
- Bharatimaiya College of Optometry, India
- National University of Singapore, Singapore
- University of Tokyo, Japan
- Tsinghua University, China
- Glasgow Caledonian University in Scotland
- Sackler Faculty of Medicine tel aviv University in Israel
- Bena Ophthalmology University, San Antonio

- City University College of Ajman, UAE
- University of Glasgow, Ireland
- Dublin Institute of Technology, Ireland
- University of Florence, Italy
- Iran University of Medical Sciences, Iran
- Hadassah College, Israel

#### Major association center globally

- American Academy of Ophthalmology in California, USA
- American Glaucoma Society in California, USA
- American Society of Retina Specialists in Chicago, USA
- International Society for Genetic Eye Diseases and Retinoblastoma in San Francisco, USA
- European Society of Cataract and Refractive Surgeons, USA
- European Association for Vision and Eye Research, Belgium
- European Board of Ophthalmology, UK
- European Contact Lens Society of Ophthalmologists, France
- International Society of Ocular Trauma, France
- European Ophthalmic Pathology Society, UK
- European Society of Cornea & Ocular Surface Disease Specialists, Ireland
- European Society of Ophthalmic Plastic and Reconstructive Surgery, Germany
- Asia Pacific Academy of Ophthalmology, Singapore
- Asia Pacific Association of Cataract Refractive Surgeons, Singapore
- Asia Pacific Glaucoma Society, Malaysia
- Asia Pacific Society of Ophthalmic Plastic and Reconstructive Surgery, China
- Asia Pacific Strabismus and Pediatric Ophthalmology Society, China
- Asia Pacific Vitreoretina Society in Shanghai, China

- Asia Pediatric Ophthalmologists Association, China
- Basir Eye Research Center, Iran
- Optometry companies
- Allen & Hanburys
- Actelion Pharmaceuticals
- Altana Pharma
- Arrow Generics
- AS Pharma
- Bausch & Lomb
- Baxter International
- Beacon Pharmaceuticals
- Concord Pharmaceuticals
- Crawford Pharmaceuticals
- Goldshield Pharmaceuticals
- GP Pharma
- GlaxoSmithKline
- Hamelin Pharmaceuticals
- Paul Hartmann
- Hawgreen
- Henleys Medical Supplies
- Huntley Pharmaceuticals
- Hybrand
- Intraparm Laboratories
- Pfizer
- MDE Diagnostics Europe
- Mead Johnson Nutritionals
- Meadow Laboratories
- Medlock Medical
- Menarini Diagnostics
- Merck Pharmaceuticals
