

3rd World Congress on Food and Nutrition June 15-16, 2020 Webinar

Editorial Note

We had a huge success with the completion of 3rd World Congress on Food and Nutrition Webinar on June 15-16, 2020. The significance of the meeting was achieved due to the accumulation of all the related group of spectators of research scientists to share their Knowledge, Research work, Technologies, and furthermore trade of worldwide Information towards the correct crowd at ideal time. Congress has received a generous response from all over the world. This has been organized with the aim of endorsing the development of new perceptions and ideas for investigating the high level of knowledge reached by scientific community in the field of Nutrition and Food Technology.

The conference was organized around the theme “*Discovering the new advances on food and nutrition for the new generation*”. The congress entrenched a firm relation of future strategies in the field of Nutrition and Food Technology
