### Past Conference Report

With a great support from our Organizing Committee, PULSUS Conferences successfully completed the “6<sup>th</sup> World Nursing and Nursing Care Congress (Nursing Care Congress 2020)” which was held at Zurich, Switzerland on March 11-12, 2020.

The conferences were organized with a focus on the themes “Pathways to pioneering nursing care” was a great success where eminent keynote speakers from various reputed companies and Universities made their resplendent presence and addressed the gathering.

We would like to thank our Organizing Committee Member Kenneth Ross, President of Ross Foundation, USA. We would also like to thank our Moderator- Preetinder Sarwara, University of Tasmania, Australia for a being a great support for our event to be a grand success. It wouldn't have been possible without the support of our Media Partners who helped us in promoting this event. We thank our Media partners for their support in helping us reach greater audience.

We also would like to thank all our Speakers, Poster Presenters and Delegates for taking out your time and sharing their research work with our peer network. We are very glad to have shared a great relationship with all these Attendees, associations and we hope to see even greater support in our upcoming events.

With the enormous feedback from the participants and supporters of Nursing Care Congress 2020, Pulsus is glad to announce “7<sup>th</sup> World Nursing and Nursing Care Congress” on October 22-23, 2020 in Edinburgh, Scotland.

“3<sup>rd</sup> World Nursing Forum” to be held at Dubai, UAE in April 22-23, 2021.
