

8th International conference on Neurology and Neuroscience

Prof. Dr. C.P Abdolrasoul Aleezaadeh,

Associate Professor Pacific Albion University, USA and University of Applied Sciences and Technology, Iran, E-mail: abdolrasoul_alizadeh@yahoo.com

Allied Academies is organizing its [33th International Conference on Nursing Care](#) which is scheduled to take place in Prague, Czech Republic On February 21-22, 2020. We are bringing you out some present and upcoming Market Analysis Reports for Nursing Care 2020.

Allied Academies proudly presents the 8th International Conference on Neurology and Neuroscience, scheduled on the dates April 06-07, 2020 in Dubai, UAE which focuses on encouraging and appreciating budding researchers, scholars and students to pursue Neuroscience research as a career. One such initiative is by recognizing talented and brilliant young researchers and rewarding them with various awards.

Young Researchers Forum (YRF)

The YRF offers budding researchers the opportunity to discuss the latest researches, share and develop novel ideas, learn from each other and gain insights from senior researchers.

These sessions are organized to provide a unique platform for young and enthusiastic researchers to present their original research projects with in-depth knowledge.

So, Allied Academies cordially invites Young Researchers from Universities/Institutes/Industries to present a short oral presentation in the forum. The time limit for oral presentation is 10 minutes, where the student needs to explain his/her work in the related scientific track followed by 5 minutes question hour. Therefore, presenters are encouraged to give brief, comprehensive and dynamic talks. Entrants will be shortlisted based on past research productivity and future promise of the concept.

Benefits

- Learn about career development and the latest research tools and technologies in Neuroscience.
- Pertinent and timely information for contemporary researchers and others pursuing similar research work.
- Foundation for collaboration for young researchers.
- Collegial interaction with other young investigators and established senior investigators across the globe.
- Interact and share ideas with both peers and mentors in multidisciplinary researchers.
- Actively distribute information and promote the benefits of education and career matters.

Eligibility

- Only applicable for Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty
- The topic must be related to any of the scientific sessions of the conference.
- Each individual participant is allowed to submit only

one paper (as first author or co-author).

- None of the authors should have a senior position or faculty position.
- Participants should be below the age of 33 years.
- All submissions must be in English.

The prize-winning papers will be considered for publication in the Allied Academies Publishing Group journals, once the paper is subjected to standard review procedures.

Best Poster Award

The Best Poster Award is an initiative of Allied Academies in the 8th International Conference on Neurology and Neuroscience, scheduled on the dates April 06-07, 2020 in Dubai, UAE to encourage students and recent graduates to present their original research which will be later published in the Allied Academies Journals. All the accepted abstracts will be eligible for presentation at the poster sessions during the conference. Allied Academies aims at setting a platform for all the budding young scientists and researchers to present their real-time work and share their views and aspects related to the theme of the conference.

Eligibility

- Open to all students – Graduates, Post Graduates and Research Scholars (below the age of 35).
- Presenters who do not wish to participate or those who are not eligible for the competition are also welcome to present their poster at the conference.
- The abstract submission deadline for poster competition will be closed one month before the conference date (this is subject to change), hence all are requested to submit their abstracts well in advance.
- All shortlisted poster presenters have to be registered before the deadline of abstract submission.

Judging and Presentation Criteria

- Abstract should include complete details like abstract title, name, affiliation, abstract and biography.
- Abstracts have to be submitted online or by email only.
- If the registered author/poster presenter is unable to attend the conference he/she may send a substitute who can be a co-author (or) any member from the same institution. If the winner is a substitute, he/she will be awarded and not the registered author/contestant.
- The judgment will be done by the Board of Jury.
- Each participant should be ready in front of his/her poster to answer all questions from the judges.

Awards-2020

- Time: 5-7 minutes to present your poster including questions and answers.
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research.
- Present numerical data in the form of graphs rather than tables.
- Visuals should be simple and bold.
- Word limit: 800 words.
- Use bright colours to enhance the detail.
- Text should be readable from five feet distance.
- Future research plans or questions are appreciated.
- The winners will be announced at the closing ceremony of the conference.
