

Announcement: Call for paper-Addiction and Criminology.

Kristina Gilbert*

Managing Editor, Addiction and Criminology, United Kingdom

Accepted July 26, 2021

Call for Paper

Addiction and Criminology is one of the preferred journals in the field. Addiction and Criminology is a high-quality peer-reviewed journal, containing several high-quality and unique articles, accepting manuscripts for Volume 4 Issue 4. Addiction and Criminology journal publishes topics which are not limited to abstinence, alcoholics, addiction treatment, addictive personality, agonist, antagonist, and caffeine and nicotine mental depression. Drug addiction including drugs like: cocaine, heroin, marijuana, methamphetamine and nicotine use and dependence, gambling, drink and drive, violence, suicide, law enforcement but many more. Studies on various criminological theories are offered, including research on the possible neurobiological factors that may be at the basis of criminal behaviour and high quality contributions from other relevant areas will also be considered.

The highlighted articles of our Journal's recent issues are as follows:

The impact of prolonged methamphetamine abuse

Author: Hypse JD

Media exposure and fear about crime: An application of mediated fear model

Author: Muhammad Awais, Sohail Abbas, Farahat Ali, Ali Ashraf

The journal's author base is composed of eminent academicians, scientists, and medical professionals from diverse geographical regions of the world. Submit manuscript at <https://www.scholarscentral.org/submissions/addiction-criminology.html> or send us an E-mail attachment to the Editorial office at thrombosis@emedicinejournals.org.
