

Pulsus hosts the 2021 Webinar as the " 2nd International Conference on Cardiology and Cardiology Research".

The theme focused for the Cardiology meet is **"Fostering the Future Excellence in Cardiology and Cardiology Research"**.

Having you all with us for our Cardiology Meet 2021 is a matter of great joy and excitement. We look forward to you all sharing your incredible knowledge, research ideas and to form a sprinkle with new enhancements at this 2-days event.

This time we have introduced some new highlights for our Cardiology Meet 2021 .

Cardiology|Invasive and Interventional Cardiology |Molecular Cardiology| Pediatric /Sport Cardiology |Hypertension |Cardiovascular disease| Clinical Cardiology| Cardiac and Cardiovascular research| Cardiac Surgery| Clinical and Experimental Cardiology|NeuroCardiology| Geriatric Cardiology |Current Research in Cardiology |Advances in Cardiology| Myocardial Infarction |Cardiac Oncology| Cardiovascular Toxicology and pharmacology| Digital Health and Cardiology | Cardiometabolic diseases.

Also, this time, our Cardiology Meet 2021 will be focus destination for the International Cardiology Research Societies, Associations, and Organizations.

This event will compile Cardiologists, practitioners, Directors, Professors, Students from academia and researchers within the field of Cardiology and Cardiology Research, official and global leaders to push forward the Cardiology Meet 2021 .

Cardiology Meet 2021 is expecting more than 200+ Participants to enlighten the program.

This time we will organize several Oral and Video Presentations/Networking Sessions as we have introduced several new tracks to bring in more participants. We are looking forward for the Cardiology Meet 2021 to be successful just as the Cardiology Meet 2021. We welcome all the Cardiology and Cardiology Research Professionals, Delegates, Researchers, and Students to make your beautiful presence on **May 26-27,2021**.
