

Awards on 3rd International Conference on Food Science and Technology

Nichelle A Mullins

President, Charter Oak Center, USA, E-mail: inichelle@charteroak.org

•Introduction

[Food Technology 2020](#) contains Keynote Forum, Oral Presentations, and Poster presentations, Young Research Forum, Exhibitions and Workshops. The ultimate aim is to gather prominent academic scientists, researchers, specialists, industrialists and research scholars to discuss and share their know-how and research works on all aspects of Food Technology, Nutrition and Food Science and Technology.

A poster is a way of presenting your research to the audience in a visual format. Allied Academies conference offers a unique creative opportunity to showcase your talents in this way.

•Benefits of poster presentation:

- Unique opportunity to combine visual and oral explanations of your projects in the form of poster presentation.
- Best Poster Award: 3 best awards will be given at the closing ceremony of the conference.
- The accepted abstract will be published in reputed and supporting International journals with a unique DOI number by CROSSREF
- Best posters will be given an opportunity to publish the full work in the supporting International journals.

•The selection of the winner will be based on

- Posters will be evaluated based on the following criteria, those are presentation style (5); Research Quality (5) and Layout/ Design (5)
- Presentation clarity of poster and oral explanation
- Poster judges' overall responses to the questions and the completeness of work.

•**Poster Guidelines:**

- The size of the poster should be 40" x 59" or 1X1.5 Sq.Mts.
- Space your information proportionally divides your poster either vertically or horizontally into 3 or 4 sections and place your materials within those spaces.
