

## Conference Announcement: 3<sup>rd</sup> World Congress on Toxicology and Applied Pharmacology

### Aizman Roman

Head of the Department, Dept. of Anatomy and Human Physiology, Novosibirsk State Pedagogical University, Russia, E-mail: aizman.roman@yandex.ru

Ground-breaking success of the 2<sup>nd</sup> World Congress on [Toxicology](#) and Applied [Pharmacology](#)!

The 2<sup>nd</sup> edition of [Toxicology](#) and Applied [Pharmacology](#) summit has had a magnificent completion. We are thankful to the Organizing committee members, chairs, speakers, young researchers, media partners, sponsors, (venue) staffs who have co-operated and converted the 2<sup>nd</sup> World Congress on [Toxicology](#) and Applied [Pharmacology](#) into a smooth and splendid experience for everyone.

The [Toxicology](#) 2019 with the theme Exploring the Tailored Strategies and Vivid Technologies in [Toxicology](#) and [Pharmacology](#) had an ineffable participation with speakers from various internationally acclaimed universities and scientific forums. With active participation from editorial board members of international journals, professors, research scholars, students and business delegates across the globe, the conference was a classic triumph.

The streaks of success were attributed by speakers in terms of current technology and future scope under the sessions of

- [Toxicology](#)
- Medical [Toxicology](#)
- Chemical [Toxicology](#)
- Aquatic [Toxicology](#)
- Applied [Pharmacology](#)
- Genetic [Toxicology](#)
- [Immunotoxicology](#)
- [Pharmacology](#)
- [Neuropharmacology](#)
- Food Safety and [Toxicology](#)
- Systems [Toxicology](#)
- Clinical [toxicology](#)
- Trending [Toxicology](#) Concepts
- Industrial & Occupational [Toxicology](#)
- Clinical [Pharmacology](#)
- Cardiovascular [Pharmacology](#)
- Environmental [Toxicology](#)

### Notable speakers of Toxicology 2019:

The eminence of speakers showcases the quality of the gathering and thus a successful conference.

We wholeheartedly thank all the media partners for their support and hope to continue the same in our upcoming ventures.

### Toxicology 2020 is now at Singapore!

Following the success path laid by 2<sup>nd</sup> World Congress on [Toxicology](#) and Applied [Pharmacology](#) and its previous edition, we now take immense pride and pleasure to announce the 3<sup>rd</sup> World Congress on [Toxicology](#) and Applied [Pharmacology](#) – [Toxicology](#) 2020 scheduled to be held at Singapore on July 29-30, 2020 – with the theme “Gain deeper insight on concepts of [Toxicology](#) and [Pharmacology](#)”. It is aimed to be a global platform sculpted for erudite sessions and discussions on the futuristic orientation of [Toxicology](#) and [Pharmacology](#).

Our [Toxicology](#) conference 2020 focuses to create a medium to connect eminent personalities from different backgrounds of [toxicology](#) and [pharmacology](#) including Environmental [Toxicology](#), Regulatory [toxicology](#), Economic [Toxicology](#), Pharmacognosy, Pharmaceutical microbiology, Drug discovery and much more. Also, its versatility is demonstrated by means of exhibitions and workshops by leading business heads, especially the start-ups. This not only helps to spark new research principles but also craft a grid of high profile and skilful people to shield the future.

The entire congress is planned with 17 major tracks which incorporates 50+ sub-tracks that include [Immunotoxicology](#), forensic [toxicology](#), aquatic [toxicology](#), veterinary [toxicology](#), cosmetic [toxicology](#), food [toxicology](#), behavioral [toxicology](#), ethno pharmacology, phytochemistry, biochemistry and much more.

The Singapore [toxicology](#) conference expects to compile 150+ participants mainly from [Toxicology](#) Associations, Research Scientists, [Toxicology](#) Industries, [Toxicology](#) Researchers, Business Entrepreneurs, Environmental Academia, Ecologists, [Pharmacology](#) Training Institutes, Chemical Engineers, Environmental Engineers, [Pharmacology](#) Associations, Chemical Industries.

The scientific contributions towards our Singapore [toxicology](#) conference are welcome in the form of oral, video, poster presentations/workshops and seminars/ networking sessions/ exhibits. These sessions are designed to evince and enhance the expertise of the attendees.

We truly believe [Toxicology](#) 2020 conference to attain superior peaks and triumph following the path of [Toxicology](#) 2019.

[Toxicology](#) 2020 welcomes all the professionals, professors, students, research and environmental enthusiasts, business delegates to venture into complete [toxicology](#) experience in Singapore on 29-30 July, 2020.
