

Conference Announcement on Pulmonology 2021

John Vincent

Amref Health Africa, Kenya

We are pleased to welcome you to the "12th Annual Congress on Pulmonology & Respiratory Medicine". The conference is scheduled to take place in the beautiful city of Munich, Germany, on May 17-18, 2021. This Pulmonology 2021 conference will provide you with an exemplary research experience and huge ideas.

The perspective of the Pulmonology 2021 Conference is to set up to help people understand how the Pulmonology medicines used in the treatment techniques have advanced and how the field has developed in recent years.

Pulmonology 2021 tries to prevent and treat different conditions with the following techniques: Respiratory connected activities therapies have been around for centuries. But do they really work..? There is research to show that some Complementary and alternative respiratory medicine techniques can help with problems like pain and nausea. But other therapies don't have enough medical evidence to decide if they are effective.

Pulmonology 2021, also known as respiratory medicine, is a branch of medicine that deals with respiration and the treatment and prevention of lungs disease and breathing

problems.

Conferences series provide the platform to speakers and offer delegates the opportunity to share their ideas and network. We are pleased to welcome you to attend and associate with us at 12th Annual Congress on Pulmonology & Respiratory Medicine

Conference on May 17-18, 2021 in Munich, Germany.

Pulmonology 2021 mainly focuses on the theme "OPTIMIZING RESEARCH STRATEGIES FOR LUNG DISORDER

TREATMENTS" guided by a line-up of expert speakers, the agenda will address some of the major issues related to pulmonology and lungs disease to ensure that public receives the best possible care.
