

Dermatology Summit 2020: Past Conference Report

Conference on Clinical & Experimental Dermatology and Plastic Surgery (Dermatology Summit 2020) organized by Lexismeetings was held on October 30-31, 2020, Webinar. The conference highlighted the theme, "Raising Era of Dermatology and Plastic Surgery". Benevolent response and active participations were received from the Editorial Board Members of Lexismeetings Journals as well as from the Scientists, Doctors, Researchers, Students and Leaders from the fields of Dermatology and Plastic Surgery, who made this event inspiringly successful. The conference was initiated with a warm welcome note from Catherine Laynn Maley. The conference was marked by the presence of renowned Scientists, talented Young Researchers, Students and Business Delegates driving the two days event into the path of success with thought-provoking Keynote and Plenary presentations. Active participation and generous response were received from the Organizing Committee Members. Professors, Researchers, and Students from diverse groups made this conference as one of the most successful and productive events in 2020 from LexisMeetings.

The Dermatology Summit 2020 Conference was carried out through various sessions with discussions on the following thought provoking and cerebrating scientific tracks:

- Keloids and Psoriasis
- Skin Cancer and Skin Malignancy Therapy
- Plastic and Reconstructive surgery
- Tele dermatology and Telemedicine
- Facial Analysis and Rejuvenation
