

Diabetes Congress 2019

Dr. Bander Manawer

Assistant Director, Research in Diabetes, Prince Sultan Military Medical City, Riyadh, Saudi Arabia, E-mail: banalh@gmail.com

The "2nd International Conference on Diabetes, Endocrinology, Nutrition and Nursing Management" was organized during June 24-25, 2019 at the Radisson Philadelphia Northeast Hotel, Philadelphia, USA. The conference was marked with the attendance of Editorial Board Members of supported Allied Academies Journals, Scientists, young and brilliant researchers and talented student communities representing more than 10 countries, who made this conference fruitful and productive.

This conference was based on the Theme- "Emerging Technologies and Practical Approaches in field of Diabetes and Endocrinology" which included the following scientific tracks:

- Diabetes Mellitus
- Endocrinology and its Types
- Endocrinology Disorders and treatment
- Endocrinology and Cardiovascular Disorders
- Endocrinology and Thyroid Disorders
- Novel Technologies for the Treatment of Diabetes
- Pathophysiology: Endocrinology, Diabetes, Metabolism
- Diabetes Research and Development
- Diabetic Complications
- Diabetes Medications
- Diabetic Nursing
- Diabetes Nutrition
- Diabetes Market and Business Analysis

Diabetes Congress 2019 was moderated by Lauren Colston (Dominion Hospital, USA).

We are grateful to our Organizing Committee Members for their generous support and suggestions for the conference.

1. Gerald C Hsu, EclairMD Foundation, USA
2. Eduardo J Simoes, University of Missouri-Columbia, USA
3. Ian Martins, Fellow of International Agency for Standards and Ratings (IASR), , Australia

4. Mario Ciampolini, University of Florence, Italy

Scientific sessions were chaired by Ann Marie Leonard-Zabel, Curry College, USA and Co-chaired by Eduardo J Simoes, University of Missouri-Columbia, USA on Day 1 and Scientific sessions were chaired by Bindu Babu, I-MD, USA, on Day 2.

We are very thankful to the Participation by Dr. Durva Balkrishna Sail and Fateneh Bakshi for their Video Presentations at our conference.

Allied Academies has taken the grand privilege of felicitating Diabetes Congress 2019 Organizing Committee, Editorial Board Members and Keynote Speakers who supported the success of this event.

The esteemed guests, Keynote speakers, well-known researchers,

and delegates shared their innovative research and vast experience through their presentations at the podium of Diabetes Congress 2019. We are glad to inform that all accepted abstracts for the conference have been published in the Journal of Diabetology. We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. We sincerely thank the Organizing Committee, Members for their gracious presence, support, and assistance. With the unique and positive feedback from the conference, Allied Academies would like to announce the commencement of the "**3rd International Conference on Diabetes, Endocrinology**" which is being organized during March 23-24, 2020 at London, UK.
