

Editor Note on Journal of Trauma and Critical care

Dear Readers

I am Pleased to mention that during the year 2019, all issues of Journal of Trauma and Critical care, Volume 3 were published online well within time and the print issues were also brought out and dispatched within 30 days of publishing the issue online. The objective of JTCC is to publish up to date, several important topics such as research and academic community dealing with critical medical issues. Impact factor of JTCC for year 2018 – 2019 was

As such, the journal aspires to be vibrant, engaging and accessible, and at the same time challenging. Each Issue of journal contains different types of papers, mostly the first, Regional spotlight; provides a short contemporary on field of Market Analysis on Nursing care an issue in the field if Trauma and Critical care. The second , provides reviews on bacterial Diseases. The third paper related to Awards announcements on the Bacterial Diseases on Nursing.

I take the opportunity to acknowledge the contribution of Dr.Abdel Aziz Mousa Thabet,during the final editing of articles published and the support rendered by editorial assistant, in bringing out issues of JTCC in time. I would also like to express my gratitude to all authors reviewers, and publishers, the advisory and the editorial board of JTCC, the office bearers and staff for their support in bringing out yet another volume of JTCC and look forward to their unrelenting support to bring out the volume 4 of JTCC in scheduled time.
