Editorial Note

On behalf of the Board of the Journal of Child and Adolescent Health and my co-editors, I am glad to present the Volume 4, Issue 1 of the journal. The journal established in November 2017 has now published 5 issues. We could reach this stage through the constant support of Board Members and intellectual generosity of the readers and contributors (authors and reviewers).

One of the objectives of this journal is to encourage publication from different streams of research that helps to enrich further the discourse on Child and Adolescent Health. We take this opportunity to thank the authors/publishers for sending their books for review and excellent book review by authors.

All published articles of this journal are included in the indexing and abstracting coverage of Index Copernicus, Google Scholar, Global Impact Factor (GIF), CiteFactor, Electronic Journals Library, RefSeek, International committee of medical journals editors (ICMJE), Hamdard University, EBSCO A-Z, Virtual Library of Biology (vifabio), Studies receiving funding from a funding organization that is included on the list of PMC and Research Funder Policies or authors having NIH grant were submitted to PubMed.

Journal of Child and Adolescent Health is an association with Allied Academies for Archiving, Journal maintenance, financial purpose and support. Here is the journal website <https://www.alliedacademies.org/journal-child-adolescent-health/> parallel for Editorial and review work process so as to maintain its highest standard of scientific work.
