

Editorial Note for Journal of Immunology Case Reports

I am pleased to mention that during the year 2019, all the issues of volume 3 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

Journal of Immunology Case Reports during this year also brought out 2nd Global Summit on Immunology and Cancer Therapy conference proceedings consisted of about 11 abstracts.

Immunology Case Reports provides a unique platform providing readers the most complete and reliable information on researches and current developments in the field of Immunology, Immune Systems, Immune Disorders, Immune mechanism and its evolution. Patient perspective satisfaction, healthy life, quality treatment, communication and health literacy and their role in developing new health care programs and clinical outcomes are major areas of interest for this journal.

According to the Google Analytics, more than readers are visiting to our journal websites for submitting manuscripts, to browse the latest research published on Immunology and to refer the published content for conceptualizing their research study, deriving research hypotheses, case reports and validating their contributions.

Readers from the major countries including United States, Japan, United Kingdom, India, Egypt and Nigeria visit our journal domain to learn about the ongoing research activities in this field. The promotion of the individual author contributions is taken care of and hence the authors enjoy the reputation among global audience.

During the year 2019, AAICR received a number of articles out of which 35% are rejected in preliminary quality check. 45% of the articles were rejected in peer-review process. Around 20% of the articles has been processed and published online. A total of 35 research scientists from all over the world contributed as reviewer in the journal. We have 18 Editors in the Editorial Board of the journal who actively contributed with their valuable services throughout the year for the publication of articles.

I take this opportunity to acknowledge the contribution of all the Editors during the final editing of articles published and the support in bringing out issues of AAICR in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the office bearers for their support in bringing out yet another volume of Immunology Case Reports and look forward to their unrelenting support to bring out the Volume 4 of AAICR in scheduled time.
