Editorial Note

I am pleased to introduce [Industrial and Environmental Chemistry](#) (IJIEC) which is an open access and peer-reviewed journal that publishes original and review articles in the field of Environmental Chemistry, Green chemistry, Industrial Chemistry. It is a world Journal to encourage research publication to research scholars, academicians, professionals and students engaged in their respective field. We have been started in year 2017 International Journal of Industrial and Environmental Chemistry (ISSN: 2591-7331(E)) is growing continuously. It is our pleasure to announce that during year 2019, all issues of volume 3 were published online on time and the print issues were also brought out and dispatched within 30 days of publishing the difficulty online.

All published articles of this journal are included in the indexing and abstracting coverage of CAS Source Index (CASSI), Index Copernicus, Google Scholar, Sherpa Romeo, Academic Journals Database, GenamicsJournalSeek, JournalTOCs, CiteFactor, Electronic Journals Library, RefSeek, Hamdard University, EBSCO A-Z, Directory of Abstract Indexing for Journals, World Catalogue of Scientific Journals, OCLC- WorldCat, Scholarsteer, SWB online catalog, Virtual Library of Biology (vifabio), Publons, Dtfundit, Geneva Foundation for Medical Education and Research.

During the calendar year 2019, International Journal of Industrial and Environmental Chemistry received a total of 24 papers, out of which

17 articles were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 7 articles were subjected for publication after they are accepted in the peer review process. In the 4 issues of Volume 3 published during the year 2019, a total of 7 articles were published (at an average of 3 articles per issue of which, articles were published from authors all round the world. A total of 15 research scientists from all over the world reviewed the 7 articles published in volume 3. Average publication period of an article was further reduced to 14-21 days.

During the calendar year 2019, a total of three Editors, ten Reviewers joined the board of IJIEC and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will be beneficial to publish quality of article within the Journal.

I take this opportunity to acknowledge the contribution of Editor-in-chief and Associate Editor during the final editing of articles published and bringing out issues of IJIEC in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, language editor, honorary editors, the scientific advisory and the editorial board of IJIEC, the office bearers for their support in bringing out the new volume (Volume 4) of IJIEC for the calendar year 2020 and look forward to their unrelenting support further to release more issues for International [Journal of Industrial and Environmental Chemistry](#) IJIEC in scheduled time..
