

Illuminating the untravelled avenue in Nutrition research for building a healthy world

Mandla Stanley Makhanya

University of South Africa, South Africa

Prestigious Award for Young Research's at Food Science Congress 2020 – Connecting Global Leaders, Innovators and Investors to Map out the Future of Food.

Nutrition Conference Committee is glad to announce “9th International Conference on Nutrition, Food Science and Technology” at Dubai, UAE during March 18-19, 2020 to witness invaluable scientific discussions and contribute to the future innovations in the field of Food Science, and Technology.

Nutrition Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Nutrition.

Young Research's Awards at Food Technology Congress 2020 for the Nomination: Young Researcher Forum - Outstanding Masters/ Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Food Technology Congress 2020 young research forum.

Nutrition & Food Science 2020 developments are maintaining their momentum. Food Science Conference program delves into strategic discussions.

Nutrition & Food Science 2020 Young Scientist Awards:

Food Science Congress 2020 invites research scholars & young scientists, to submit the nominations for Young Scientist Awards: Food Science Congress 2020. The conference is conducted for 2 days, where internationally renowned speakers will describe how their research journey have developed in response to contemporary challenges and inspirational and innovative lessons from young researchers in food conference. This Food Science Congress 2020 Young Scientist Awards will be announced at the upcoming 3rd International Conference on Nutrition, Food Science and Technology at Dubai, UAE this March 2020. We strongly believe that the “3rd International Conference on Nutrition, Food Science and Technology” will provide an opening for discussions in the field of Nutrition.

This Young Scientist Award is an initiative of Conference Series to recognize and provide incentives to the Young Researchers who has shown a great potential at their respective field of research. We at Conference Series always encourage the young budding minds to start their career in the field of Research and Innovations. The core of our Young Research Forum – Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform. We at Food Science Congress 2020 provides the best networking experience to the participant for their overall professional growth and to promote the collaborative research.

Benefits:

- Young Scientist Award recognition certificate and memento to the winners
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Eligibility:

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co- author).
- Age limit- Under 35yrs
- All submissions must be in English. Applications are invited on first come first basis. Only 25 nominations are accepted globally.

Food Science Congress 2020 provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join Food Science Congress 2020 for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our Food Science Congress 2020 more successful. This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research. We provide a opportunity for young researchers to learn about the research areas of their peers to increase their capacity as multidisciplinary researchers.

Basis for Judging:

Nominated candidates need to present their research or talk for 25-30 minutes in from of the panel members. Subject should be under the scope of the Food Technology Congress 2020 Conference. Selection will be on the basis of individual accomplishments, quality & standards of research, Nobel thought, Research methodology, innovative ideas, style of presentation, Significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bring the research in terms of products/services into public domain.

Nomination:

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/ Research guide. The student must be the first author & the student's advisor should attach a statement that their contribution is primarily advisory.

Candidates applying for the Food Technology Congress 2020: Young Researcher Award should send their resume, along with a letter of recommendation (from a research adviser / faculty/ Organization heads) to foodscience@alliedforums.org along with the online application at the Food Technology Congress 2020 page.

Presentation:

This award will be presented at Dubai, UAE during Food Technology Congress 2020 Conference.

Prize:

- We will recognize the awardee(s) with a memento, & Certificate of Appreciation followed by special incentive for the next chapter of the conference.
- The prize-winning papers will be considered for publication in the supporting journals subjected to standard review procedures
- Opportunity will be given to be Student ambassador for the subsequent future conferences.
