The [International Conference on Pharmaceutics and Novel Drug Delivery Systems](#) were organized on October 19-10, 2018 at the Radisson Narita, Tokyo, Japan. The conference was marked with the attendance of Editorial Board Members of supported Allied Academies Journals, Scientists, young and brilliant researchers and talented student communities representing more than 10 countries, who made this conference fruitful and productive.

This conference was based on the Theme - " Frontier Novelties in Pharmaceutical Industry & Drug Delivery Technology" which included the following scientific tracks:-

- Drug Delivery
- Pharmacokinetics
- Pharmacodynamics
- Pharmacogenomics
- Control Of Quality Of Analytical Methods
- Combinatorial Chemistry In Drug Discovery
- Phytochemistry
- Pharmacognosy
- Vaccine Drug Delivery Systems
- Drug Discovery and Screening
- Nanotechnology
- Drug Toxicity
- Innovative Drug Discovery
- Toxicology
- Proteomics and Drug Discovery
- Digital Pharma

Pharma Congress 2018 was moderated by Mohammed Zubayer Miah (Shaheed Tajuddin Ahmad Medical College, Bangladesh) on the first day and on the second day.

We are grateful to our Organizing Committee Members for their generous support and suggestions for the conference.

Archakov AI, Institute of Biomedical Chemistry, Russian Federation

Hiroshi Ohrui, Yokohama University of Pharmacy, Japan

Mohammed Zubayer Miah, Shaheed Tajuddin Ahmad Medical College, Bangladesh

Michael Hennig, LeadXpro AG Park InnovaARE, Switzerland

The conference proceeded through various Scientific Sessions and plenary lectures, of which the following topics were highlighted as Keynote presentations:

EFDA: A very excellent anti-HIV modified nucleoside from design to the current clinical results Hiroshi Ohrui, Yokohama University of Pharmacy, Japan

Phospholipid micelles as the medicines themselves and drug delivery system Archakov A.I, Institute of Biomedical Chemistry, Russian Federation

A case report of an epilepsy patient in Bangladesh Mohammed Zubayer Miah, Shaheed Tajuddin Ahmad Medical College, Bangladesh

A scientific session on Day 1 was chaired by ArchakovAI, Institute of Biomedical Chemistry, and Russian Federation.

A scientific session on Day 2 was chaired by Michael Hennig, LeadXpro AG Park InnovaARE, Switzerland.

Allied Academies has taken the grand privilege of felicitating Pharma Congress 2018 Organizing Committee, Editorial Board Members and Keynote Speakers who supported the success of this event.

The esteemed guests, Keynote speakers, well-known researchers and delegates shared their innovative research and vast experience through their presentations at the podium of Pharma Congress 2018. We are glad to inform that all accepted abstracts for the conference have been published in the Asian Journal of Biomedical and Pharmaceutical Sciences as a special issue.

We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. We sincerely thank the Organizing Committee Members for their gracious presence, support, and assistance. With the unique and positive feedback from the conference, Allied Academies would like to announce the commencement of the "International Conference on Pharmaceutics and Advanced Drug Delivery Systems" which is being organized during February24-25, 2020 at Rome, Italy.
