

Mental Health 2020 Scheduled during March 23-24, 2020 at Dubai, UAE

Uqbah Iqbal

Researcher, National University of Malaysia, Malaysia, E-mail: uqbah@siswa.ukm.edu.my

We successfully finished our previous meeting of “World summit on Psychiatry Disorders, Mental Health and wellness” which is organized by Allied Academies at Philadelphia, USA during June 24-25, 2019 with an theme of "Reintegrating and modernizing mental wellness through psychology and psychiatric empathy" centralizing the topics related to Mental health and wellness, Psychiatry Disorders such as Mental Health, Adolescent Mental Health, Child Mental Health, Forensic Mental Health, Abuse- Addiction, Personality Disorder, Attention Deficit Hyperactivity Disorder, Depression and Bipolar Disorder, Mental health Therapies, Integrative Psychiatry Complementary and Alternative Methods, Psychosis Disorder, Stress Reduction/ Mindfulness, Disorder Resources, Women’s Issues in Mental Health Resources, [Treatments for Mental Disorders](#), Mental Health Nursing

[Psychology](#) aims to be able to predict the future behavior from the findings of empirical research. If a prediction is not confirmed, then explanation is based on might need to be revised. [Mental Health 2019](#) took amusement in providing great opportunity for all the Scientists, Researchers, Research Scholars, Graduates, to Scrutinize the Contributions of knowledge to share and explore new research developments

Scholar Level

The conference is presenting the Scholar Level award for future scientists, researchers, and experts with 10+ years of Bacteriology and Virology research experience. Bacterial Diseases 2020 conference aims to offer the best platform for expanding your network by sharing your on-stage research knowledge. Presentation involves 25-30 minutes of oral debate on the conference theme-based scientific research topics along with 5-minute panel discussions. You can nominate online deserving of the award.

We had received an Instantaneous response from the Organizing committee members as well as Speakers and Delegates who had participated in this conference. If there's a researcher whose work you admire, it can be both inspiring and educational to meet them and to talk to them directly. If one of your academic speakers is speaking at a conference, this could be the perfect chance for you to meet them. Who knows, maybe a little chat could lead to the future collaboration!

The Highlights of the Conference are:

Psychiatry, Forensic and Emergency Psychiatry Child and Adolescent [Psychiatry](#), Geriatric and Adult Psychiatry, Psychotherapy, [Dementia](#), Cognitive behavioral Therapy, [Psychopharmacology](#), Alzheimer’s Disease, Telepsychiatry, Personality Disorders, Psychology, Neuropsychology and
