

## Past Conference Report of 4<sup>th</sup> World Congress on Advanced Biotechnology

### Abstract

The 3<sup>rd</sup> World Congress on Advanced Biotechnology was organized on Nov 18-19, 2019 at the building vacation hotel Rome Aurelia Rome, Italy. The conference was marked with the human activity of Editorial Board Members of supported Allied Academies Journals, Scientists, young and good researchers and proficient student communities representing quite ten countries, World Health Organization created this conference fruitful and productive.

This conference was supported the Theme - “Novel Trends in Advanced Biotechnology” together with the next scientific tracks:

- Advancements in Biotechnology
- Biosensors
- Bioinformatics
- Stem cell Biotechnology & Regenerative medication
- Pharmaco-genomics
- Biomarkers
- Biopharmaceuticals & Drug planning
- Biofuels & Bioenergy
- Plant & Agricultural Biotechnology
- Industrial and microbic Biotechnology
- Food & biological process Biotechnology more

Biotechnology Congress 2019 was tempered by Belie O (Lagos University Teaching Hospital, Nigeria) on the primary day and therefore the second day it absolutely was Networking. we tend to square measure grateful to our Organizing Committee Members for his or her generous support and suggestions for the conference.

Allied Academies has taken the grand privilege of felicitating Biotechnology Congress 2019 Organizing Committee, Editorial Board Members and Keynote Speakers World Health Organization supported the success of this event. The honored guests, Keynote speakers, well-known analysers and delegates shared their innovative research and immense expertise through their shows at the rostrum of Biotechnology Congress 2019. We tend to square measure glad to tell that each one accepted abstracts for the conference are revealed within the Archives of Industrial Biotechnology as a special issue.

Your rejoinder is our inspiration; keeping this motto in mind and being witnessed the triumph of Biotechnology Congress 2019, Allied Academies would like to announce the commencement of the “4<sup>th</sup> World Congress on Advanced Biotechnology” during September 25<sup>th</sup>, 2020, webinar. We welcome all the eminent researchers, students and delegate participants to take part in this upcoming conference to witness invaluable scientific discussions and contribute to the future innovations in the fields of Biotechnology and Pharmaceutical Biotechnology.
