

Past Conference Report of 7th Annual Congress on Cardiology and Cardiac Surgery

Maria Carmona

University of São Paulo Medical School, Brazil

The 7th Annual Congress on Cardiology and Cardiac Surgery 2020 was hosted by Allied Academies during June 15 in Edinburgh, Scotland through webinar on the theme “Innovative approaches in making heart secure with the secret of surgery”. The meeting received an active response from Cardiologist, Cardiac Surgeons, Pediatric Cardiologist, professors, researchers, students and delegates all over the world and made it a huge success. The conference was embarked with an opening ceremony followed by a series of the speech delivered by both prestigious delegates and members of the Keynote forum and speakers. The adepts who proclaimed the theme with their outstanding talk.

We would like to thank keynote speaker, speaker, Delegates, our supporting media partners and sincere thanks to our Organizing committee members for their support and assistance towards the success of Cardiac Surgery2019, we value your time and expertise with us.
