Abstract

Global Meeting on Gynecology and Obstetrics Congress

Followed by the Successful Completion of Gynecology 2019, we are hosting its next edition “**European Gynecology and Obstetrics Congress**” in Paris, France on **February 17-18, 2021**.

With a great support from our Collaborators and Organizing Committee, PULSUS Conferences successfully completed the “**Global Meeting on Gynecology and Obstetrics Congress**” which was held as a Webinar during June 17-18, 2020 with many new highlights.

The core objective of this event is to empower and bring about maximum exposure to our attendees, so we make sure that this event is a blend which covers professionals such as Gynecologist, obstetricians, paediatrician, oncologist, physicians, medical assistants, midwives, nursing assistants, Health Care Administrator, nutritionist, therapists, medical secretaries, women health care professionals and students with wide knowledge, choices and recommendations that will support them; make them more informed about healthcare and make better decisions in managing reproductive health of women.

We would like to thank our Organizing Committee Members and our Keynote Speakers comprising-

- Massimo Bardi, Hospital of Clusone, Italy.
- Natalia Artymuk, Kemerovo State Medical University, Russian Federation
- Alfred Shihata, Scripps Research Institution, USA
- Ciro Dresch Martinhago, Hospital Albert Einstein, Brazil
- Jan Tesarik, MARGen Clinic, Spain for their support in making this event a great

Success. We would also like to thank our Moderator- Susan Laing, Brighton and Sussex Medical School, UK for being a great support for our event to be a grand success

We would like to extend our thanks to our collaborators for their constant support. It wouldn't have been possible without the support of our Media Partners who helped us in promoting this event. We thank our Media partners for their support in helping us reach greater audience.

We also would like to thank all our Speakers, Poster Presenters and Delegates for taking out your time and sharing their research work with our peer network. We are very glad to have shared a great relationship with all these Attendees, associations and we hope to see even greater support in our upcoming events.
