

## Past Conference Report on Neuro Congress

**Prof. Dr. Alireza Heidari, Ph. D., D. Sc.**

Director of the BioSpectroscopy Core Research Laboratory at Faculty of Chemistry, California South University (CSU), Irvine, California, USA & President of the American International Standards Institute (AISI) Irvine, California, USA, E-mail: scholar.researcher.scientist@gmail.com

### Past Conference Report

Being Program Manager to [3<sup>rd</sup> International Conference on Neurology and Brain Disorders](#) I would like to take this opportunity to express my heartfelt thanks to all the experts and professionals for your active involvement in the concluded conference. It was an immense pleasure for us, that you joined our event and bestowed us by being Guests of Honor. Your precious time was of nice importance for us. Your involvement and interest towards our organization may be a nice support for us.

All your valuable participations made a difference through your dedication and continued support for our program. Your ideas, inputs and enthusiasm were most helpful and have assisted in making valuable inputs in our program.

[3<sup>rd</sup> International Conference on Neurology and Brain Disorders](#) was organized on 19-20, June 2019 at the Crowne Plaza Dublin Hotel, [Dublin-Ireland](#). The conference was marked with the attendance of Editorial Board Members of supported Allied Academies Journals, Scientists, young and brilliant researchers, business delegates and talented student communities representing more than 15 countries, who made this conference fruitful and productive.

This conference was based on the theme “Current Trends and Innovations in the Field of Neurology” which included the following scientific tracks:

Neurological Disorders and Stroke | Brain and Neurological cancers | Alzheimer’s disease | [Brain injury](#) and Behavioral issues | [Neuroimmunology](#) | Neuroscience | Anxiety and [Depression](#)

I would like to give special thanks to the **Speakers** of the conference whose presence helped to make this event a great success and your enthusiasm and positive spirit helped make our time together both productive and fun. We wish you all the

*4<sup>th</sup> International Conference on Neurology and Brain Disorders  
April 20-21, 2020 | Bangkok, Thailand*

It was nice to host you in our [congress](#), and your kind words worth’s a lot to us. Professionals like you are a sort of encouragement for budding researchers to gain a lot of knowledge in [Neuro](#) based studies and to explore new ideas for [brain](#) research.

I have no doubt that it’d not have been the success that it was without your presence.

Your step would serve as an initiative and we want to express our deepest gratitude towards you and also thank you very much for your [enthusiastic](#) participation.

We would like to continue an honest relation in future.

Your contributions, time and efforts through serving on this committee is highly appreciable.

best and hope that you continue to be engaged with future [conferences](#).

The conference was embarked with an opening ceremony followed by Keynote sessions and followed by a series of lectures. We would like to express our sincere gratitude to **Honourable Speakers, Chairs and Moderator**.

**Rita Kappel**, *Dr. Kappel Institute, Netherlands*

**Maria Amparo Lopez-Ruiz**, *CEU Cardinal Herrera University, Spain*

**Li Zhang**, *University of Texas at Dallas, USA*

**Annalisa Tirella**, *University of Manchester, United Kingdom*

**PV Mohanan**, *Sree Chitra Tirunal Institute for Medical Sciences and Technology, India*

**Monica Berntsen**, *Training Brains, United Kingdom*

**Asha Srinivasan**, *JSS Academy of Higher Education and Research, India*
