

14th International Conference on Pediatrics & Neonatal Healthcare

Eileen R. McGrath

The University of Arizona College of Medicine, USA

Abstract

We gratefully thank all our wonderful Keynote and Plenary Speakers, Conference Attendees, Students, Media Partners and Associations for making Pediatrics Healthcare 2019 grand success. 13th International Conference on Pediatrics & Neonatal Healthcare hosted by the Allied Academies was held during March 14-15, 2019 at Sheraton Heathrow Hotel, London, UK based on the theme “Translating Science, Technology & Research into Cures for Children”. Benevolent response and active participation were received from the Organizing Committee Members along with Scientists, Researchers, Students and leaders from the area of Neonatology and Pediatrics, who made this event a grand success. Allied Academies expresses its gratitude to the conference Moderator, namely Melissa Ronaldi from North Lombok General Hospital, West Nusa Tenggara, Indonesia for taking up the responsibility to coordinate during the sessions. We are indebted to your support. Allied Academies would like to convey a warm gratitude to all the Honorable guests and Keynote Speakers of Pediatrics Healthcare 2019
