

Young Research Forum – Young Scientist Awards: Endocrinology 2020

Katherine Fohe

Department of Endocrinology, Tianjin GongAn Hospital, China, E-mail: katherinefohe30@gmail.com

Endocrinology 2020 invites research scholars & young scientists, to submit the nominations for Young Scientist Awards: Endocrinology 2020. This Young Scientist Awards will be announced at the upcoming “2nd Asia Pacific Diabetes and Endocrinology Congress” at Brisbane, Australia this November 16-17, 2020.

Young Scientist Award is an initiative taken by Conference Series to recognize and provide certification to the Young Researchers who has shown great potential at their respective core of research. We at Conference Series always encourage the young budding minds to start their career in the field of research and innovations. The core of our Young Research Forum–Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform.

About Conference Series

Conference Series LLC LTD is an open resource platform that conducts 3000+ global events including International Conferences, Workshops, Symposia, Trade Shows, Exhibitions and Science Congresses in all the major scientific disciplines, including Clinical, Medical, and Pharmaceutical, Engineering, Technology, Business Management and Life Sciences across Asia Pacific, America, Europe, and Middle East. We encourage our young authors and conference participants through research and young research awards. Also we provide assistance in career development and research guidance through 1000+ collaborations with NGOs, scientific and academic agencies, institutions that have signed MoU with us.

Eligibility Criteria for Young Scientist Awards: Endocrinology 2020

The Endocrinology 2020: Young Scientist Awards: is for all young Researchers, Research Scholars (Preferably PhD, Post Doc, and Post Graduates & Graduates) who has involved themselves into the R&D sector. The candidates should have minimum 3+ years of Research experience and published minimum 3 research articles in international journals. Part time researchers can be considered subject to recommended by the research guide or any director level designated person from the organization.

Applications are invited on first come first basis. Only 25 nominations are accepted globally

Basis for Judging

Nominated candidates need to present their research or talk for 25-30 minutes. Subject should be under the scope of the Endocrinology 2020 conference. Selection will be based on

*2nd Asia Pacific Diabetes and Endocrinology Congress-
November 16-17, 2020 Brisbane, Australia*

the individual accomplishments, quality & standards of research, noble thought, research methodology, innovative ideas, style of presentation, significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bringing the research in terms of products/services into public domain.

Nomination

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/research guides. The student must be the first author & the student’s advisor should attach a statement that their contribution is primarily advisory.

Presentation
