

Young Researchers Forum - Young Scientist Awards Diabetes Congress 2020

Dr. Bander Manawer

Assistant Director, Research in Diabetes, Prince Sultan Military Medical City, Riyadh, Saudi Arabia, E-mail: banalh@hotmail.com

Allied Academies recognizes the efforts and contribution of scholars, researchers, academicians, and scientists in the field of medicine, science and technology by endowing them with prestigious awards like Best academician award, Best researcher award along with some other awards in different categories containing certificates, mementos and gifts as well.

Diabetes Congress 2020 is glad to announce “3rd International Conference on Diabetes and Endocrinology” during March 23-24, 2020 at London, UK by focus on the theme: “Innovative Methods to Prevent Diabetes and Endocrinology Disorders”.

Young Scientist Awards at Diabetes Congress 2020

Young scientist awards are given to the investigators and research organizations throughout the world who have been credited with outstanding accomplishments and are making a substantial contribution to the advancement of field of Diabetes and Endocrinology.

Serving as a source of inspiration, the awards help raise the profile of talented individuals and the organizations, in addition to the profession. A range of research awards is on offer to enable qualified investigators to carry out specific basic and clinical research projects – from young specialists to more established investigators. These awards provide an impetus to research activities undertaken by members and grant the renowned applicants peer recognition and greater exposure.

The application for the 2020 Young Scientist Award is now accessible @ [Diabetes Congress 2020](#)
