

CONFERENCE ANNOUNCEMENT

18th International Conference on Pathology & Cancer Epidemiology

Ferly Felix*

Post Graduate, Dr.M.V.Shetty College of Speech and Hearing, Mangalore, India

EuroSciCon team is glad to announce “**19th International Conference on Pathology & Cancer Epidemiology**” which is going to be held during May 25-26, 2020 in Dublin, Ireland and the event is enlightened with the theme “**“Dedicated to Discovery, Committed to Pathology”**”. Supported through the organizing committee network of renowned scientific and professional experts, it provided a platform for collaboration among colleagues, vendors and academia to reveal new innovations, solutions, ideas and emerging technologies.

We gladly welcome attendees all around the world for the hearing of the leading recent innovations and inventions in the field of [pathology & cancer](#). This Conference will give a discussion to trade of thoughts and legitimate perspectives by driving researchers, exchange of ideas from the academicians of the best establishments from around the world. Settled keynote speakers and surely understood driving researchers and specialists from around the world will be relied upon to share their mindfulness and discussion about different angles identified with different bleeding edges.

[Conference](#) brings together the experts from all the aspects to meet and discuss the future and current status to thrive and endure with a better result. The participants can exchange and share their research results covering the scientific aspect. The event will unite Directors, Director of Laboratories, Universities, Industries, Delegates, Investigation experts, Investigators, Post-Doctoral Fellows, Research and Analytical Laboratories, Students, Research organizations, Market Research and Consulting Firms and all the intrigued individuals ready to upgrade and refresh the comprehension on the subject.

This interactive conference will combine technical input, personal effectiveness facilitation and practical hands on experience. This will ensure delegates go away with skills to enable them and their teams to perform to the peak of their abilities, to continue to push the boundaries in delivering better, high quality international conferences. There are different sessions in the Conference [like Keynote session](#), Oral Presentation, Poster Presentation, Workshop and Video

Presentation. Participants will get following benefits:

1. Opportunity to attend one conference per year with good discounts on registration fees
2. Opportunity to publish your manuscripts with discounts
3. International Certificate for Young Research Forum
4. Will be featured on our conference website as a Young Research Forum
5. All accepted abstracts will be published in Respective Journals
6. Abstracts will receive a DOI number provided by Cross Ref

The [Young Research Forum](#) honour is acknowledgment for Masters/PhD/Post Doctorate proposal introduction who will exhibit their activities and theory that have been actualized to improve long term prominence in the field of Pathology & Cancer Epidemiology. You can nominate having the right to the award. The grant will be exhibited to up and coming analysts and researchers in the field of Pathology with at least 10 years of experience. The honour is named as The Upcoming Researcher Award. The scientists with another and changing query towards explore are supported. The scientists must to carry new advancements and developments to their work as per the new patterns in their field. You can assign anybody you feel having the right to the honour.

The journal encourages research and innovation in the [Pathology](#) & Cancer Epidemiology, offers professional publishing support to authors until the publishing is finalised. It helps the scientific community to upgrade itself with the most recent advancements.

This scientific networking helps for the betterment of science by exchanging the ideas in a broader way in the “**19th International Conference on Pathology & Cancer Epidemiology**” which is scheduled to be held during May 25-26, 2020 in Dublin, Ireland.

Join us to witness invaluable scientific discussions and add to the future advancements in the field of Pathology in the upcoming “**19th International Conference on Pathology & Cancer Epidemiology**” which is going to be held during May 25-26, 2020 in Dublin, Ireland.
