Tampere University Hospital, Finland

E-mail: markustays@gmail.com

Followed by the Successful Completion of the [Nursing Care Conference](#), the 28th edition on May 23-24, 2019 which took place in Fleming's Conference Hotel Wien in Vienna, Austria, We are hosting its next edition "[29th International Conference on Nursing Care](#)" in Paris, France on February 21-22, 2020.

[Nursing](#) is said to be both an art and a science; a heart and a mind. Nurses are indispensable in safeguarding public health and the time - honoured reputation for compassion and dedication, there lies a highly specialized profession, which constantly evolves to address the needs of society.

Nursing Care is the glue that holds a patient's health care journey together. when there is someone in need of care, nurses work tirelessly to protect the needs of the individual.

As there exists a vast range of specialisms and complex skills in the nursing profession, each nurse will have specific strengths, passions, and expertise.

After the Successful completion of its previous series, Nursing Care 2020 is honoured to see the Leading Nursing Professionals interacting and sharing their research works and knowledge in the field of Nursing and Healthcare for its next edition, [33th International Conference on Nursing Care](#) in Prague, Czech Republic on September 09-10, 2020 as it is important to create awareness when it comes to public and mental health.

Nursing Care 2019 and Nursing Care 2020 was pulled off successfully with various workshops, talks and mainly with the participation of more eminent personalities and of course last but not the least, our attendees.

Nursing Care Conference aims to make the Nursing Professionals obtain the advance technical information in the arena of Nursing Care that they are seeking. We will witness our speakers, delegates, young research forums taking part in all the sessions and also take advantage of the tremendous advancements in Nursing Care.

Prague Nursing Conference will be focus destination for the International Nursing Care Research Societies, Associations, and Organizations. This event will bring together Nurse practitioners, Nurse Midwives, Healthcare Nurses, Directors, Professors, Students from academia and researchers in the field of Nursing care, Government officials and global leaders to push forward the Nursing Care and Research.Outstanding

*33th International Conference on Nursing Care
February 21-22, 2020| Paris, France*

Speaker

The award honors individuals who will present their initiatives, approaches, and schemes to boost long-term performance in the field of infectious diseases.

The majorly focused theme which [Nursing Care Congress](#) is dedicating to the Nursing Professionals all over the world is *Caring – The Essence of Nursing*.

Allied Academies aims to bring in all the Healthcare and Nursing professionals to address the current issues happening for our Nursing Care Gathering.

Nursing Care meet has many disciplines where the Speakers/Researchers/Young Researchers can present their paper in the form of Oral or Poster through various sessions like Nephrology Nursing, Nursing Care, Registered Nursing, Nurse Midwifery, Nursing Leadership, Nurse Educator, Surgical Nursing, Clinical Nursing, Nurse Practitioner, Flight Nursing, Oncology Nursing, Camp Nursing, Health Care Nursing, Medicinal Nursing, Nurse Researcher, Psychiatric Nursing, Orthopedic Nursing, Diabetes Nursing, Neonatal Nursing. We have introduced best Organizing Committee, Speaker, Young Research Forum and Poster awards to encourage our participants for their work which they will be presenting for our Nursing Conference Czech Republic.
