We Nursing Practice 2020, welcomes all the Nursing professionals on behalf the organization Allied academies. We feel very grateful and fortunate to appreciate the achievements of our talented researchers who have made their contribution in treating patients and engaging in the researches which are helpful for the future developments.

Our Nursing Practice 2020 Conference conducts many session highlights for the participants like, Keynote presentations, plenary presentations, Poster presentations, Young Researcher presentations and Video Presentations.

Allied acknowledges the devotion and overwhelming works in all academic and research fields. By identifying their contribution; Allied encourages and motivate scholars, researcher and academicians by giving Allied Global Best Researcher Awards along with other individual awards in all academic specialties and categories. These Awards involves prestigious Award Certificate and Memento.

The best presentation is not only a witness to the individual's diligence, but they also have the potential to change the whole realm as they can take the advantage to create better strategies and or a new approach.

And the awards are provided to recognize the participants who have made brilliant contributions to the field and to support active commitment for the advancement of the field.

The marks provided by the Scientific committee and the Congress Chair will be used to choose the attendee of these awards, and works with the top Scores that shall be suggested for the following awards:
