Conference Announcement

Followed by the Successful Completion of the [Brain Disorders Conference](#), the 6th edition, we are hosting its next edition “7th International Conference on Brain Disorders and Therapeutics” in Rome, Italy on February 28-29 2020.

The theme focused for the [Brain Disorders Meet](#) is Exploring the destiny of Brain Health

Having you all with us for our Brain Disorders 2020 is a matter of great joy and excitement. We look forward to you all sharing your incredible knowledge, research ideas and to make a sprinkle with new enhancements at this 2-days event.

[Brain Disorders Congress](#), operating committee is gearing up for an exciting and explanatory conference program including plenary lectures, symposia, workshops on a variety of topics, poster presentations and various programs for participants from all over the world. We invite you to join us at the [Brain Disorders Conference](#), where you will be sure to have a meaningful experience with scholars from around the world. All members of the [Brain Disorders Event 2020](#) organizing committee look forward to meeting you in Rome, Italy.

[Brain Disorders Congress](#), Rome, Italy is a sole meeting to unite globally recognized scholastics in the field of neuroscience and neurology, neuro specialists, general wellbeing experts, specialists, scholarly researchers, industry analysts, researchers to trade about best in class research and advances. The motto of this gathering is fortifying new ideas for treatment that will be valuable over the range of [Brain Disorders Conferences](#) and Neuroscience. Gatherings, Conferences, National symposiums, and Workshops give a committed discussion to the progression, execution, and trade of data about Neuroscience and its partnered territories.

Also this time, Our [Rome Brain Disorders Congress](#) will be focus destination for the International Neuroscience Research Societies, Associations, and Organizations. This event will bring together Neurology practitioners, Directors, Professors, Students from academia and researchers in the field of Psychology and Mental Disorders, Government officials and global leaders to push forward the Brain Science and its Research.

Brain Disorders Event is expecting more than 200+ Participants to enlighten the program. This time the [Italy Brain Disorders Conference](#) will organize several Oral and Poster Presentations/Networking Sessions/Workshops/Symposiums/Exhibition as we have introduced several new tracks to bring in more participants.

We are looking forward for the [Brain Disorders 2020 Conference](#) to be successful just as the Brain Disorders 2019 Conference!
