Without continual growth and progress, such words as improvement, achievement, and success have no meaning. Journal of Agricultural science and Botany (ISSN: 2591-7897) is growing continuously. It is our pleasure to announce that during year 2020, all issues of volume 4 were published online on time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

All published articles of this journal are included in the indexing and abstracting coverage of CAS Source Index (CASSI), China National Knowledge Infrastructure (CNKI), Secret Search Engine Labs, Index Copernicus, Google Scholar, Sherpa Romeo, Access to Global Online Research in Agriculture (AGORA), RefSeek, EBSCO A-Z, OCLC-WorldCat, SWB online catalog, Publons etc.

During the calendar year 2019, AAASCB received a total of 19 papers, out of which 3 articles were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 15 articles were subjected for publication after they are accepted in the peer review process. In the 4 issues of Volume 3 published during the year 2019, a total of 15 articles were published (at an average of 4 articles per issue) of which, articles were published from authors all around the world. A total of 50 research scientists from all over the world reviewed the 15 articles published in volume 3. Average publication lag time of an article was further reduced to 2-3 weeks.
