Followed by the fruitful Completion of the Otolaryngology Conference, the 9th edition, we are hosting its next edition “10th International Conference on Otolaryngology” in Paris, France on June 22-23, 2020.

The theme focused on the Otolaryngology Meet is “Innovation, Novelty and New Technologies in Otolaryngology”.

Having you all with us for our Otolaryngology 2020 is a matter of fantastic joy and excitement. We look forward to you all sharing your incredible expertise, research ideas and to make a sprinkle with new enhancements at this 2-days event.

This time we have introduced some new highlights for our Otolaryngology Congress.

General ENT, Pediatric Otolaryngology, Obstructive Sleep Apnea, Anesthesia in Ear, Nose and Throat Surgery, Rhinology and Sinus Surgery, Laryngology and Neuro-laryngology, Rhinitis and Sinusitis - Types and Treatments, Head and Neck Surgery, Audiology and Speech Pathology, Epidemiology and Prevention of ENT Infections, Facial Plastic Surgery, Oral and Maxillofacial Surgery, Craniofacial Surgery, ENT Rehabilitation, Pathophysiology and Disorders of ENT, ENT Infectious Diseases, Diagnostic Approaches in Otorhinolaryngology, New Treatment Approaches for ENT Disorders etc.,

Otolaryngology 2020 intends to bring all the ENT professionals under all ENT fields for our Otolaryngology Congress to interact and share their knowledge and their newest research to the entire Otolaryngology Community.

Also, this time, Our Paris Otolaryngology Conference will be a focus destination for the International ENT Research Societies, Associations, and Organizations. This event will bring together ENT practitioners, Directors, Professors, Students from academia and researchers in the field of Ear, Nose and Throat and global leaders to push forward the Otolaryngology and Research.

Otolaryngology Event is expecting more than 200+ Participants to enlighten the program. This time the France Otolaryngology Conference will organize several Oral and Poster Presentations/Networking Sessions/Workshops/Symposiums/Exhibition as we have introduced several new tracks to bring in more participants.

We are looking forward to the Otolaryngology 2020 conference to be successful just as the Otolaryngology 2019 Conference!

We welcome all the Otolaryngology Professionals, Delegates, Researchers, and Students to make your beautiful presence in Paris by June 22-23, 2020.
