

Webinar on addiction.

Kristina Gilbert*

Managing Editor, Addiction and Criminology, United Kingdom

Accepted July 02, 2021

About the Webinar

Conference Series LLC Ltd is delighted to invite Scientists, Physiotherapists, neurologists, Doctors, researchers and experts from the arena of Addiction and Drug Abuse, to attend a **Webinar on Addiction and Drug Abuse on July 26, 2021**. Webinar on Addiction is a specially designed cluster webinar that consists of keynote presentations, Oral talks, Poster presentations, Panel Discussions and Exhibitions, Young Researcher Forums (YRF), Best Poster Award, Industry academic interactive sessions, and Industry Presentations, etc.

This Webinar on Addiction Conference is based on the theme "**Exploring Latest Innovations in Addiction and Drug Abuse**". Webinar on Addiction welcomes proposals and ideas from both Industry & Academia to be presented on this interactive platform.

Why attend?

Webinar on Addiction aims to bring together leading academic

scientists, researchers, and research scholars to exchange and share their experiences and research results on all aspects of Drug Addiction. It also provides a premier interdisciplinary platform for researchers, practitioners, and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Drug addiction and rehabilitation. We welcome all interested participants to join us for our conference on **Webinar on Addiction and Drug Abuse**.
