

Young Research Forum - 7th International Conference on Brain Disorders and Therapeutics

Caterina Guiot

University of Torino, Italy, E-mail: caterina.guiott@unito.it

Our 7th **International Conference on Brain Disorders and Therapeutics** is going held on **February 28-29, 2020** in **Rome, Italy**.

Prestigious Award for Young Research's at Brain Disorders 2020 – *Exploring the destiny of Brain Health*.

The Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers.

Young Researcher Sessions are organized at the 7th International Conference on **Brain Disorders** and **Therapeutics**, to provide a unique platform for Young Researchers/ Investigators for presenting latest research projects with an in-depth analysis. Allied Academies cordially invites Young Researchers from Universities/Institutes/Industries to present a short oral presentation during the forum. These oral presentations should be of 10 minutes duration in related scientific track followed by 5 minutes question hour. Therefore, presenters are encouraged to give comprehensive and dynamic talks. Applications will be selected based on past research productivity and future promise.

Eligibility criteria for young research forum:

Young Investigator, Post-Graduate, **Neurology Post-doctoral**, Trainees, Junior faculty with a minimum of 5 years of research experience.

YRF Presentation must be into scientific sessions of the Meetings.

Each **Young Researcher** / Young Scientist can submit only one paper (as first author or co-author)

Brain Disorders 2020 Conference Committee is glad to announce “International Conference on Brain Disorders and Therapeutics February 28-29, 2020 Rome, Italy by focus on the theme: “ Exploring the destiny of Brain Health” Brain Disorders 2020 developments are maintaining their momentum. **Brain Disorders** 2020 Conference program delves into strategic discussions.

Prof. Caterina Guiot, University of Turin, Italy - Being a prolific contributor to this field of **Neuroscience**, it would be a privilege to learn about your research findings and be enlightened by your eminence. Requesting you to let us know if you are interested to be Organizing Committee Member for our Editorial Board Member.

Brain Disorders 2020 Young Scientist Awards

Brain Disorders 2020 Conference Committee is intended to honour prestigious award for talented **Brain Disorders Young researchers**, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The **Young Scientist Awards** make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Neuroscience.

Young Research's Awards at **Brain Disorders** 2020 for the Nomination: Young Researcher Forum - Outstanding Masters/ Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Brain Disorders 2020 young research forum.
